

## **CWMP BOF Conference call Minutes Mar 16, 2012**

Meeting was called to order at approximately 10:00am EST March 16<sup>th</sup> , 2012

### **Attendees**

Nancy Chen – Oki Data  
Ira McDonald – Samsung/High North  
Anil Thakkar – Thinxstream  
Ranga Raj – Thinxstream  
Laxman Bhat – Celstream  
Sanjeev K - Celstream  
Shunmuga Kumaraswamy - Celstream

**PWG IP Policy** – no objection

### **Discussion**

Ranga Raj from Thinxstream shared information about Smart Services. He and the Celstream team then demonstrated the proxy client capabilities and an implementation of embedded TR-069 stack.

Ira shared his updates to the White paper and addition of IPP Job Attributes mapping.

Ira suggested using the Attributes listed IPP1.1, RFC 2911 for demo'ing at the face-to-face meeting.

Next CWMP BOF is scheduled for Friday (April 30<sup>th</sup>) at 7:00am PST, 10:00am EST, 7:30pm IST.

### **Action Items**

1. IRA to send a note to Mike regarding equipment availability for Demo at the face-to-face meeting.
2. Ranga to send the material on Smart services and pointer to the Broadband diagram.
