Agenda Items

1. Reviewed the draft Plenary Session slides for the upcoming May 13-15, 2014 IDS Face-to-Face Meeting. Made the following changes:

   - Revised the status of the TNC Binding Spec to be 'Revised for Correlated Attributes'.

   - Updated the dates for the various upcoming IDS specs on the Status slide.

   - Per Ira, added the new RFC 7069 – XACML XML Media Type to the list of policy attributes for the IDS IA&A Spec. Made the same change on the draft IDS Working Group session slides.

2. Reviewed the draft slides for the IDS Working Group Session for the upcoming May 13-15, 2014 IDS Face-to-Face Meeting. Made the following changes:

   - Update the links to the new versions of the IDS Model and TNC Binding Specs that will be reviewed at the meeting.

   - Updated the status of the TNC Binding Spec to state 'Call for TNC Binding prototype implementation – stable content'.

   - Moved the slot for the MFP PP Status slide, which Brian and Alan will prepare to the beginning of the session and updated the agenda slide accordingly. Will update the Plenary slides accordingly also.

3. Confirmed after the meeting that the next IDS Conference Call will be Jun 2nd.
